SECTION:

8-2-1: Franchise Granted

8-2-1: **FRANCHISE GRANTED:**

ORDINANCE NO 637-12

AN ORDINANCE GRANTING TO INTERSTATE POWER AND LIGHT COMPANY ("COMPANY"), ITS SUCCESSORS AND ASSIGNS, THE RIGHT AND FRANCHISE TO ACQUIRE, CONSTRUCT, ERECT, MAINTAIN AND OPERATE A NATURAL GAS DISTRIBUTION SYSTEM IN THE CITY OF SIBLEY, OSCEOLA COUNTY, IOWA AND THE RIGHT TO LAY DOWN, OPERATE AND MAINTAIN THE NECESSARY PIPES, MAINS AND OTHER CONDUCTORS AND APPLIANCES IN, ALONG AND UNDER THE STREETS, AVENUES, ALLEYS AND PUBLIC PLACES OF THE CITY OF SIBLEY, OSCEOLA COUNTY, IOWA, AS NOW OR HEREAFTER CONSTITUTED, FOR A PERIOD OF TWENTY-FIVE (25) YEARS, SUBJECT TO A LIMITED RIGHT OF CANCELLATION AT THE END OF THE FIFTEENTH (15th) YEAR ANNIVERSARY DATE, FOR THE PURPOSE OF DISTRIBUTING, SUPPLYING AND SELLING NATURAL GAS TO THE CITY AND ITS INHABITANTS THEREFOR AND TO PERSONS AND CORPORATIONS BEYOND THE LIMITS THEREOF AND GRANTING TO SAID COMPANY THE RIGHT OF EMINENT DOMAIN

BE IT ORDAINED BY THE City Council of the City of Sibley, Osceola County, Iowa hereinafter referred to as the "City".

Section 1. There is hereby granted to Interstate Power and Light Company, hereinafter referred to as the "Company," its successors and assigns, the right franchise and privilege to lay down, maintain and operate the necessary pipes, mains and other conductors and appliances in, along and under the streets, avenues, alleys and public places in the City as now or hereafter constituted, for the purpose of distributing, supplying and

selling gas to said City and the residents thereof and to persons and corporations beyond the limits thereof. Except as otherwise agreed in writing by the parties, the term of the franchise granted by this Ordinance and the rights granted there under shall continue for the period of twenty-five (25) years from and after its acceptance by the said Company, as herein provided. The City may cancel this franchise on the fifteenth (15th) anniversary of the anniversary date of this franchise by notifying Company in writing of its desire to do so, said notification to be given within thirty (30) days of the fifteenth (15th) anniversary of this franchise. If Company is not notified of the cancellation by the fifteenth (15th) anniversary then this franchise shall continue without cancellation until the twenty-fifth (25th) year. The anniversary date shall be the date this franchise is filed with the City Clerk or otherwise effective by operation of law. City also grants the Company the right of eminent domain as provided in Section 364.2 of the Code of Iowa. The term "gas" as used in this franchise shall be construed to mean natural gas only.

Section 2. The mains and pipes of the Company must be so placed as not to interfere unnecessarily with water pipes, drains, sewers and fire plugs which have been or may hereafter be placed in any street, alley and public places in said City nor unnecessarily interfere with the proper use of the same, including ordinary drainage, or with the sewers, underground pipe and other property of the City and the Company, its successors and assigns shall hold the City free and harmless from all damages arising from the negligent acts or omissions of the Company in the laying down, operation and maintenance of said natural gas distribution system.

Section 3. In making any excavations in any street, alley, avenue or public place, Company, its successors and assigns, shall protect the site while work is in progress by guards, barriers or signals, shall not unnecessarily obstruct the use of the streets, shall back fill all openings in such manner as to prevent settling or depressions in surface and shall replace the surface, pavement or sidewalk of such excavations with same materials, restoring the condition as nearly as practical and if defects are caused shall repair the same.

Section 4. The Company shall, at its cost, locate and relocate its existing facilities or equipment in, on, over or under any public street or alley in the City in such a manner as the City may at any time reasonably require for the purposes of facilitating the construction, reconstruction, maintenance or repair of the street or alley or any public improvement thereof, in or about any such street or alley or reasonably promoting the efficient operation of any such improvement.

If the City orders or requests the Company to relocate its existing facilities or equipment for any reason other than as specified above, or as the result of the initial request of a commercial or private developer, the Company shall receive payment for the cost of such relocation as a precondition to relocating its existing facilities or equipment.

The City shall consider reasonable alternatives in designing its public works projects so as not arbitrarily to cause the Company unreasonable additional expense in exercising its authority under this section. The City shall also provide a reasonable alternative location for the Company's facilities as part of its relocation request.

The City shall give the Company reasonable advance written notice to vacate a public right-of-way. Prior to vacating a public right-of-way, the Company shall be provided an opportunity to secure an easement to allow it to operate and maintain its existing facilities.

Section 5. Said Company, its successors and assigns, shall throughout the term of the franchise distribute to all consumers gas of good quality and shall furnish uninterrupted service, except as interruptible service may be specifically contracted for with consumers; provided, however, that any prevention of service caused by fire, act of God or unavoidable event or accident shall not be a breach of this condition if the Company resumes service as quickly as is reasonably practical after the happening of the act causing the interruption. (Ord. 637-12, 7-9-2012)

Section 6. There is hereby imposed a franchise fee of three percent (3%) upon the gross revenue generated from sales of gas by the Company within the corporate limits of the City. The Company shall begin collecting the franchise fee upon receipt of written approval of the required tax rider tariff from the Iowa Utilities Board.

Section 7. The amount of the franchise fee shall be shown separately on the utility bill to each customer. The Company shall remit franchise fee receipts to the City no more frequently than on or before the last business day of the month following each calendar year quarter.

Section 8. The Company shall not, under any circumstances be required to return or refund any franchise fees that have been collected from customers and remitted to the City. In the event the Company is required to provide data or information in defense of the City's imposition of franchise fees or the Company is required to assist the City in identifying customers or calculating any franchise fee refunds for groups of or individual customers the City shall reimburse the Company for the expenses

incurred by the Company to provide such data or information. (Ord. 670-17, 8-28-2017)

Section 9. (Rep. by Ord. 665-17, 4-24-2017)

Section 10. (Rep. by Ord. 665-17, 4-24-2017)

Section 11. The City shall indemnify the Company from claims of any nature arising out of or related to the imposition and collection of the franchise fee. In addition, the Company shall not be liable for collecting franchise fees from any customer originally or subsequently identified, or incorrectly identified, by the City as being subject to the franchise fee or being exempt from the imposition of franchise fees. (Ord. 637-12, 7-9-2012)

Section 12. (Rep. by Ord. 665-17, 4-24-2017)

Section 13. (Rep. by Ord. 665-17, 4-24-2017)

Section 14. The City shall be solely responsible for the proper use of any amounts collected as franchise fees and shall only use such fees as collected for a purpose as allowed by applicable law. (Ord. 637-12, 7-9-2012)

Section 15. (Rep. by Ord. 665-17, 4-24-2017)

Section 16. Collection of the franchise fee shall cease at the earlier of the modification or repeal of the franchise fee or the end of the Ordinance term.

A. The obligation to collect and remit the fee imposed by this Ordinance is modified if:

1. Any other person is authorized to sell natural gas to customers within the corporate limits of the City and the City imposes a franchise fee or its lawful equivalent at zero or a lesser rate than provided in this Ordinance, in which case the obligation of Company to collect and remit franchise fee shall be modified to zero or the lesser rate.

2. The City adds additional territory by annexation or consolidation and is unable or unwilling to impose the franchise fee upon all persons selling natural gas to consumers within the additional territory, in which case the franchise fee imposed on the revenue from sales by Company in the additional territory shall be zero or equal to that of the lowest fee being paid by any other retail seller of natural gas within the City.

3. The Iowa General Assembly enacts legislation, or any Iowa court issues a final judicial decision regarding franchise fees, or the Iowa Utilities Board issues a final nonappealable order (collectively, "Final Franchise Fee Action") that modifies, but does not repeal, the ability of the City to impose a franchise fee or the ability of Company to collect from City customers and remit franchise fees to City. Within sixty (60) days of Final Franchise Fee Action, the City shall notify Company and the parties shall meet to determine whether this Ordinance can be revised and if so, how to revise the franchise fee on a continuing basis to meet revised legal requirements. After Final Franchise Fee Action and until passage by the City of revisions to the franchise fee Ordinance, Company may temporarily discontinue collection and remittance of the franchise fee if in its sole opinion it believes it is required to do so in order to comply with revised legal requirements.

B. The obligation to collect and remit the fee imposed by this Ordinance is repealed, effective as of the date specified below with no liability therefore, if:

1. The imposition, collection or remittance of a franchise fee is judicially determined to be unlawful by a court of competent jurisdiction within the State of Iowa. Such determination shall be effective only after all available appeals have either been exhausted or have expired.

2. The Iowa General Assembly enacts legislation making imposition, collection or remittance of a franchise fee unlawful, effective as of the date lawfully specified by the General Assembly.

3. The Iowa Utilities Board, or any successor agency, denies the Company the right to impose, collect or remit a franchise fee provided such denial is affirmed by the Supreme Court of Iowa, effective as of the date of the final agency order from which the appeal is taken.

Section 17. The franchise fee shall be in lieu of any other payments to the City for the Company's use of streets, avenues, alleys and public places in the said City and other administrative or regulatory costs with regard to said franchise and said pipes, mains and other conductor and appliances in, along and under the streets, avenues, alleys and public places in the said City for the purpose of distributing, supplying and selling gas to said City and the residents thereof and to persons and corporations beyond the limits thereof shall be exempt from any special tax, assessment, license or rental charge during the entire term of this Ordinance.

Section 18. The City shall not, pursuant to Chapter 480A.6 of the Code of Iowa, impose or charge right-of-way management fees upon the Company or fees for permits for Company construction, maintenance,

repairs, excavation, pavement cutting or inspections of Company work sites and projects or related matters.

Section 19. The franchise granted by this Ordinance shall not be exclusive.

Section 20. The expense of the publication of this Ordinance shall be paid by the Company.

Section 21. The franchise granted by this Ordinance shall be conditioned upon acceptance by the Company in writing. The acceptance shall be filed with the City Clerk within ninety (90) days from passage of this Ordinance.

Section 22. If any section or provision of this Ordinance is held invalid by a court of competent jurisdiction, such holding shall not affect the validity of any other provisions of this Ordinance which can be given effect without the invalid portion or portions and to this end each section and provision of this Ordinance is severable.

Section 23. This Ordinance sets forth and constitutes the entire agreement between the Company and the City with respect to the rights contained herein and may not be superseded, modified or otherwise amended without the approval and acceptance of the Company. Upon acceptance by the Company, this Ordinance shall supersede, abrogate and repeal the prior gas system Ordinance between the Company and the City as of the date this Ordinance is accepted by the Company. Notwithstanding the foregoing, in no event shall the City enact any Ordinance or place any limitations, either operationally or through the assessment of fees, that create additional burdens upon the Company, or which delay utility operations.
